Dear Gunela,

I am pleased to inform you that the Internet Society Board of Trustees passed a resolution welcoming the Standing Group on Accessibility during our meeting last week. As I understand, this designation provides the group with more permanent status than a Special Interest Group.

As one of the three Standing Groups recently chosen by the Internet Society community, your group has a unique opportunity to continue championing accessibility. We look forward to learning about your activities.

Congratulations and best wishes for your success!

Sincerely,
